To: ESCO Energy Service Co.

From: Edward Curtin

Subject: Lighting Retrofit

We at Brockway Smith Cocksackie are extremely pleased with the new lighting retrofit that was completed by ESCO, the quality of light is a major improvement. We are also looking forward to the energy cost savings. The project was completed ahead of schedule without interrupting production. From start to finish your staff was productive, understanding and professional, I would recommend your company to any one looking to upgrade their lighting.

Sincerely,

Edward Curtin
Plant Superintendent
